900 Third Avenue
New York, NY 10022

Dear Mr. McAllister:

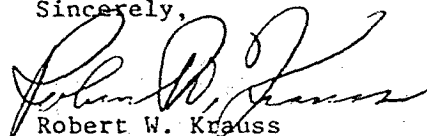

I am pleased to acknowledge and to accept with thanks the check from The Council for Tobacco Research-USA, Inc., in the amount of \$2,500, in support of the FASEB Summer Research Conference on Endothelium and Cardiovascular Function which will be held August 7-12, 1988. The Federation and the scientists who comprise it are appreciative of your interest in assisting us to improve scientific communication. The funds will be used by the chairperson of the conference, Dr. Paul Vanhoutte, to defray the travel and registration expenses for some of the speakers.

We extend an invitation to the scientists of your organization who are interested in attending any of the FASEB Summer Research Conferences. Enclosed is the schedule of conferences for 1988 for your convenience. There will be eighteen conferences held under our auspices next summer --ten in Saxtons River, Vermont and eight at our new site in Copper Mountain, Colorado.

I have enclosed for your interest a copy of the FASEB Public Affairs Newsletter. It is published monthly by our Office of Public Affairs to keep Federation members and other readers abreast of the latest developments in Congress and in Executive Branch agencies that may affect biomedical and biological research.

Please express to the appropriate officials my thanks and appreciation for your generous support of this conference.

Sincerely,

Robert W. Krauss
Executive Director
